Gloria Matlock: Vocalist, Drums

Michael Nix: Guitar, Mandolin, Banjar, Banjo

Adam Matlock: Piano

Technical Requirements

Size of Group: Three

Space Requirements: Gloria Matlock and Michael Nix perform a program, which requires space for two musicians standing or seated.

Instruments:

Gloria Matlock: Conga Drum (standing)

Michael Nix: 7 string banjo, gourd banjo, guitar

Adam Matlock: Piano (Grand Piano preferred)

Set Up and Rehearsal Requirements:

Space: 8' x 8' set up space at minimum.

Technical:

-Sponsor should provide two (2) chairs with flat seats and no arms set at a height of 19" from the floor.

-If PA is provided:

PA: 3 vocal mics, 3 highest quality instrument mics suitable for drum, piano, and guitar/banjo,
Each performer will have a vocal mic and one instrumental mic

-If Matlock & Nix provide sound reinforcement, one (1) 120 volt 20 amp source at the site will be needed for the sound system.

Lighting:

-General warm to neutral stage lighting.

-House up enough for performers to be able to see the audience, with the ability to dim and darken lighting.

Set up time:

-Set up time is 1 hours

-If Sponsor provides PA a sound check of 30 min. will be added to set up time.

-If Matlock and Nix provides sound reinforcement please allow 1 hour for set up and warm-up time. (Shorter set ups are possible for festival and First Night settings if we can work with your tech people ahead of time.)

Devine • Nix Technical Requirements, p. 2

Sale of Recordings

The Matlock & Nix would like to offer recordings, books and scores, video tapes, and art reproductions for sale at the performances. This will require a small table in a suitable public place-lobby or rear of concert hall. NixWorks can provide the table if necessary.

Dressing Room

- One (1) room must be secure while performers are on stage. Must be within easy access to washroom facilities. Temperature of room should be from 68-72 degrees.

Lodging (Optional)

-Lodging and breakfast may be provided by sponsor at times. Lodging may be in a hotel/motel, or a room provided by the sponsor, with access to a hot shower.

Food and Drink

-Two 12 oz. bottles of bottled spring water, and two cups of hot herbal (non caffeinated) tea, and hot caffeinated coffee should be available in the dressing room.

-(Optional) A light sandwich fare (turkey) should be available before the performance, and a meal provided following the performance especially if there is significant travel involved.
